#### SPANISH STRIKE SPREADS Ten Thousand Men Out in Rio the whale, for the monster sank immediand ends north of Midia, on the Black Tinto Iron Works.

Madrid, Sept. 17 .- The labor situation in Spain is reaching an acute stage. At Barcelona, where the government had ended the strike in the cotton mills by issuing a decree regulating the working hours, the employ ers have notified the government that being unable to comply with the decree they will shut up the factories unless the law is suspended.

At the Rio Tinto iron works the strike is spreading, affecting already more than ten thousand workers. The government is disturbed on account of the attitude of the men, the strike having assumed a revolutionary character. A large force of soldiers is being concentrated at Huelva, the centre of the
